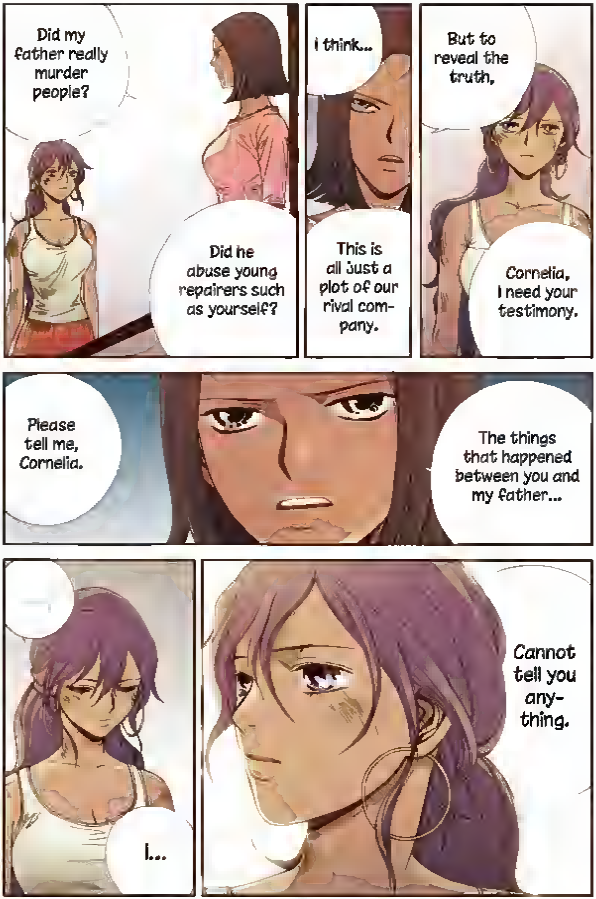
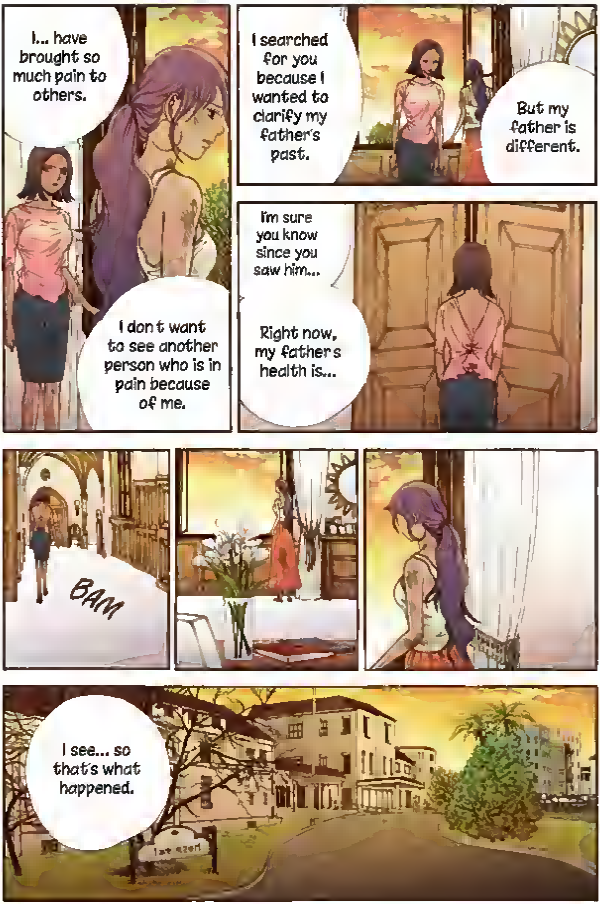
Track 18.02 On Wings of Song

composed by Mendelssohn word by Heine

I didn't think that there would be another person...
Who would hug me like that.
I did everything I could for my father.
Tell me, Cornelia.



Did my father really murder people?
Did he abuse young repairers such as yourself?
I think...
This is all just a plot of our rival company.
But to reveal the truth,
Cornelia, I need your testimony.
Please tell me, Cornelia.
The things that happened between you and my father...
I...
Cannot tell you anything.

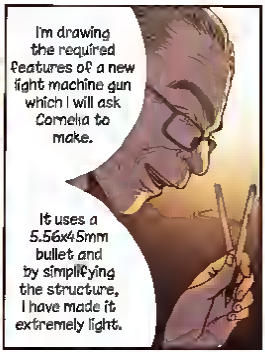


I... have brought so much pain to others.
I don't want to see another person who is in pain because of me.
I searched for you because I wanted to clarify my father's past.
But my father is different.
I'm sure you know since you saw him...
Right now, my father's health is...
BAM
I see... so that's what happened.

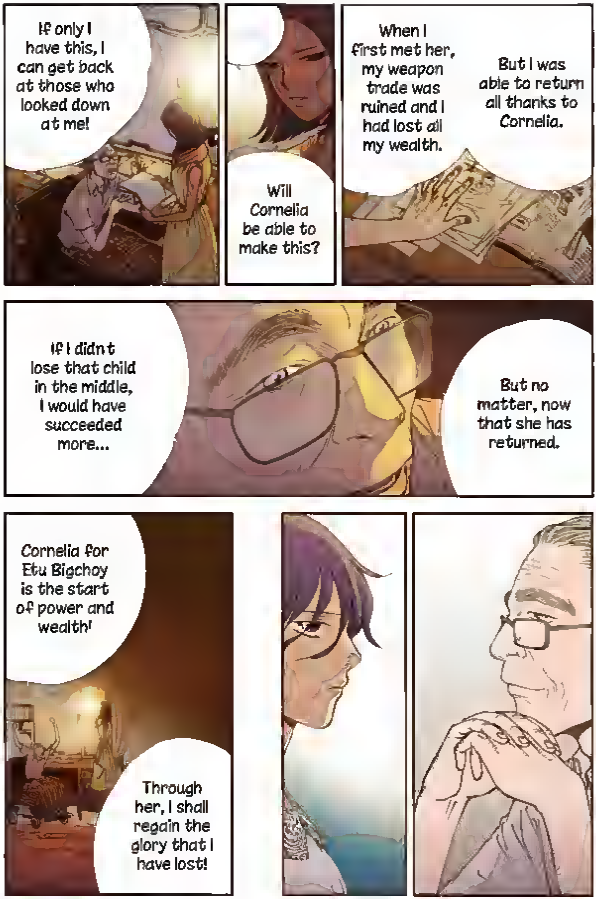
Yeah... so... hurry...
And get Cornelia...
Addiction to drugs? At such a young age...
Cornelia must have had a hard time.
Just where is...
The bottom of this continent?
And how low did you
Go down in this place, Cornelia...

whoosh

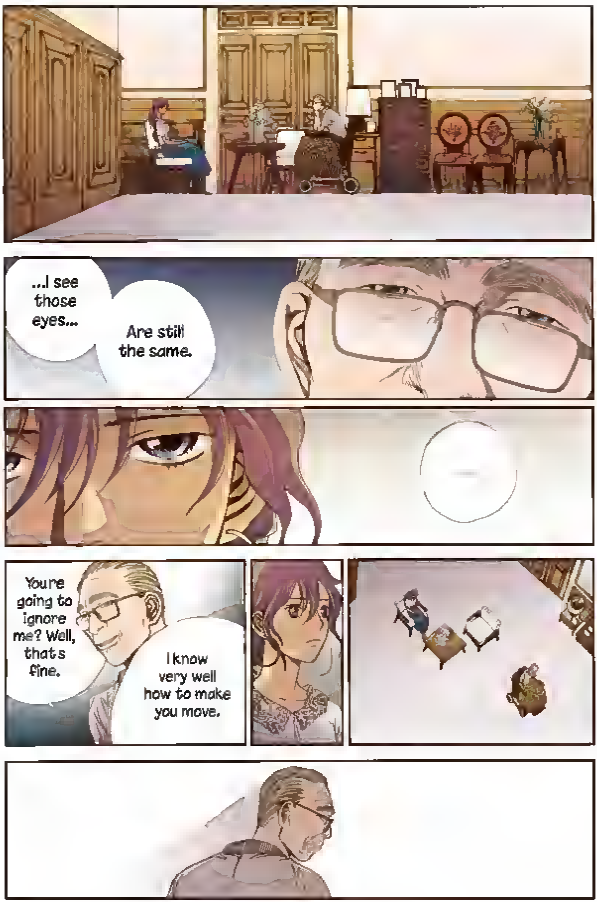
What are you doing, father?
You're here.



I'm drawing the required features of a new light machine gun which I will ask Cornelia to make.
It uses a 5.56x45mm bullet and by simplifying the structure, I have made it extremely light.

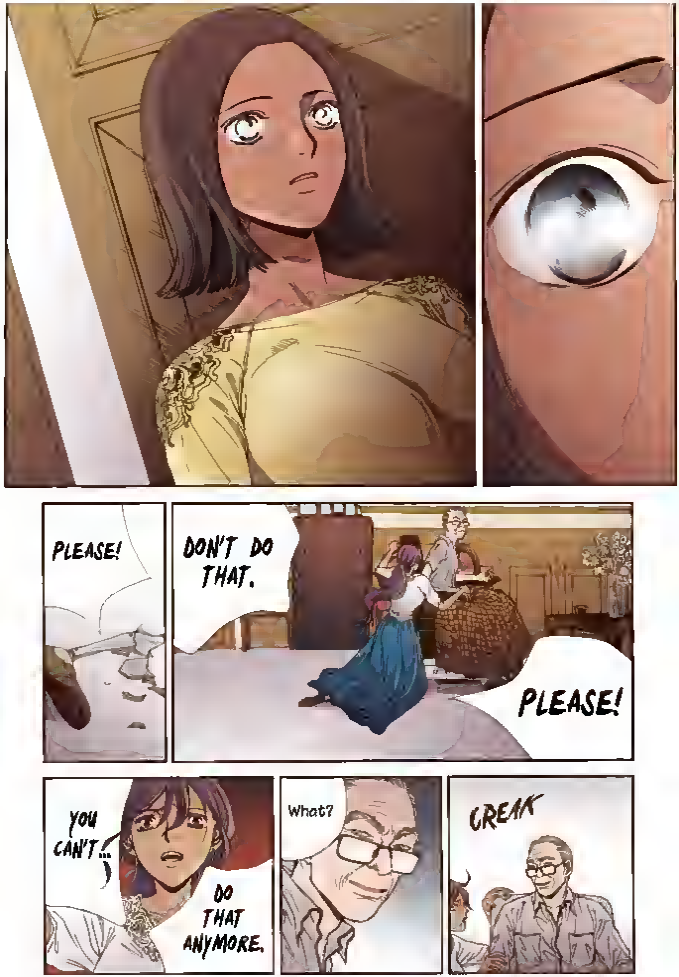


If only I have this, I can get back at those who looked down at me!
Will Cornelia be able to make this?
When I first met her, my weapon trade was ruined and I had lost all my wealth.
But I was able to return all thanks to Cornelia.
If I didn't lose that child in the middle, I would have succeeded more...
But no matter, now that she has returned.
Cornelia for Etu Bigchoy is the start of power and wealth!
Through her, I shall regain the glory that I have lost!

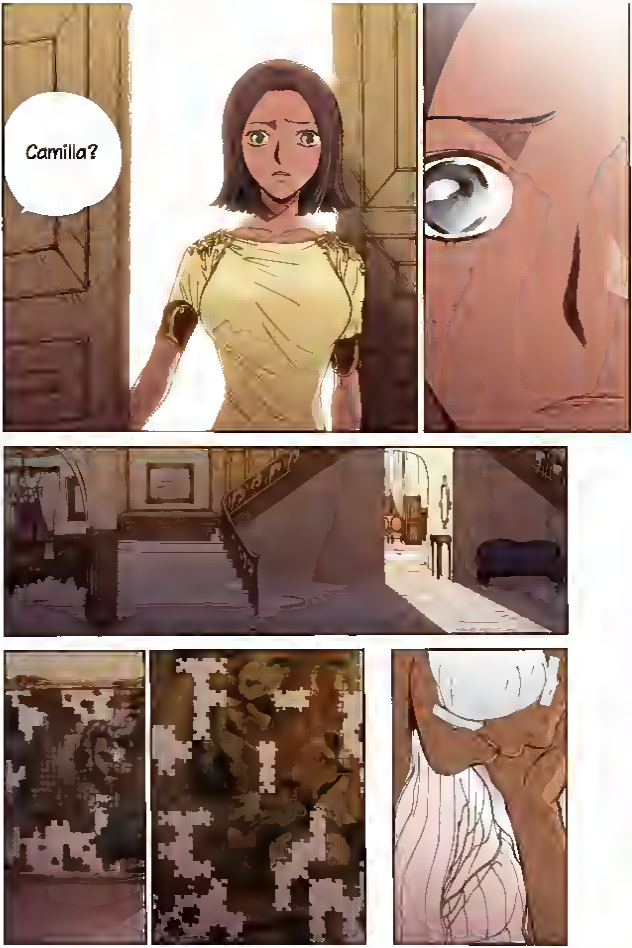


...I see those eyes...
Are still the same.
You're going to ignore me? Well, that's fine.
I know very well how to make you move.

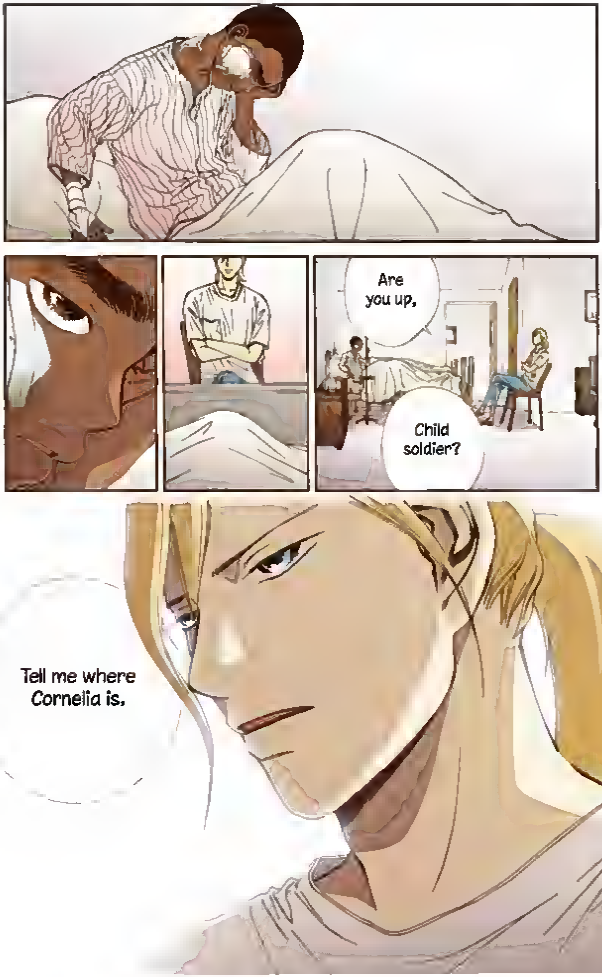
I'LL BURN HIM TO DEATH.
THAT MAN NAMED ALLAN.
JUST LIKE HOW I KILLED YOUR FOSTER PARENTS...
BREAK



PLEASE!
DON'T DO THAT.
PLEASE!
YOU CAN'T...!
DO THAT ANYMORE.
What?
CREAK



Camilla?



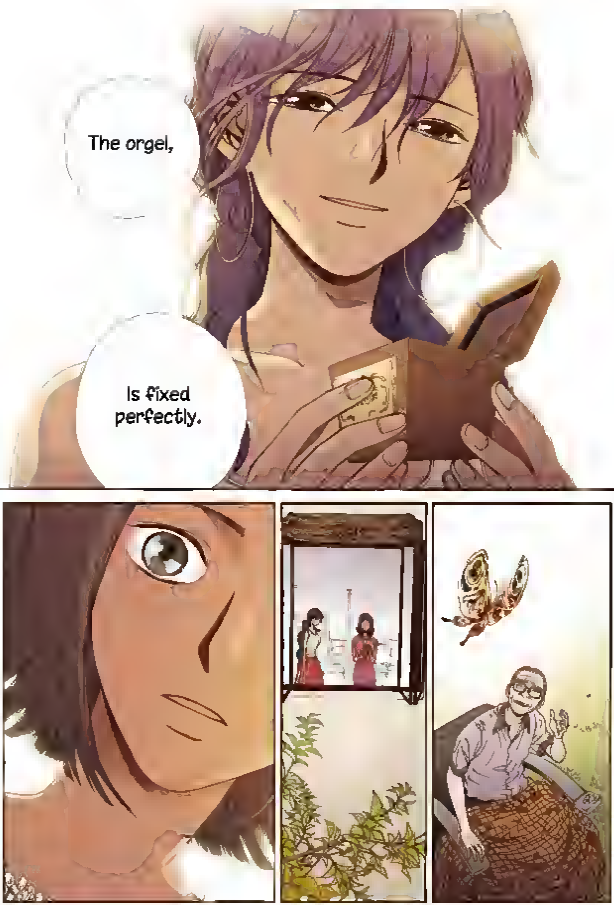
Are you up,
Child soldier?
Tell me where Cornelia is.

Camilla.
What is it?
Yes, you've come just in time.
Give me the diagram I gave you yesterday to Cornelia.
That weapon diagram that holds my dream, DD21.
The ultimate weapon that will revive Bigchoy Industry.
HURRY AND SHOW IT
WHAT ARE YOU WAITING FOR?
GIVE IT TO ME!!
snatch
CHARARA
BUMP
WHERE IS IT...
YES, THIS ONE.

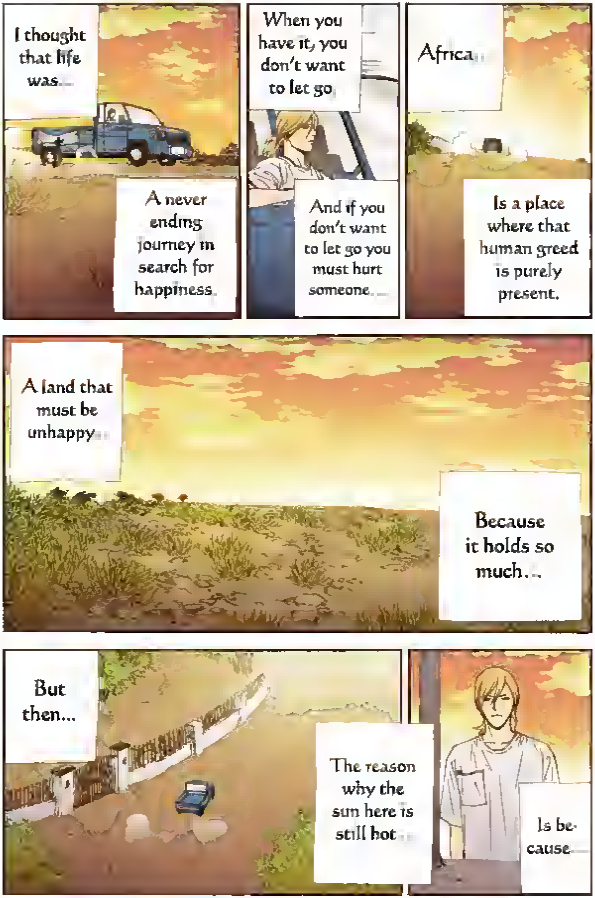
I WANT YOU...
TO MAKE THIS WEAPON, CORNELIA.
If you make me this...
I can stand up again.
CORNELIA!
CORNELIA, HURRY!!

GRAB
IF YOU DON'T MAKE THAT WEAPON RIGHT NOW... I'LL KILL YOU!
You can stop now.
Father.

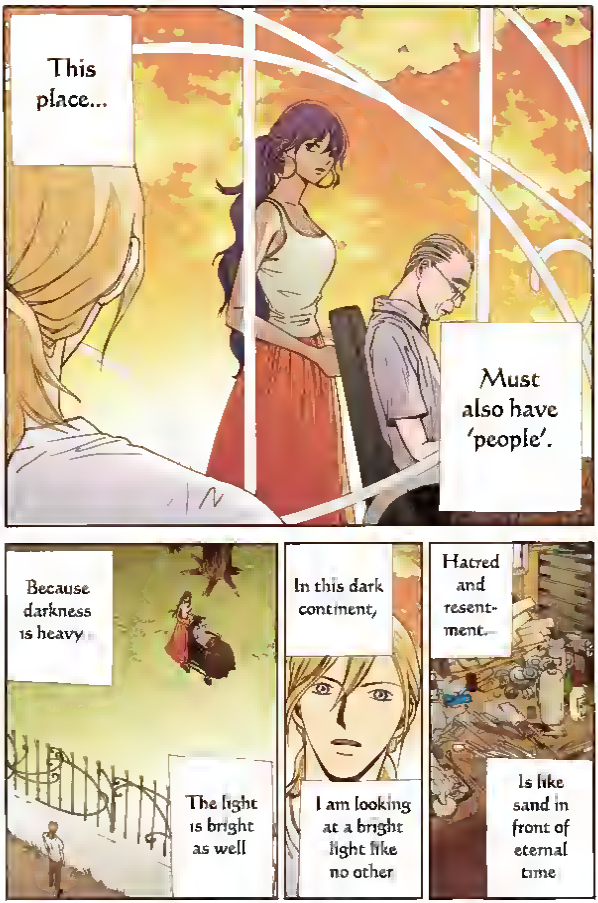
It was around two years ago when something went wrong with his mentality.
It was the day when his past was revealed to the trade.
His pride was deeply hurt after being taunted by everyone.
I... did not trust my father's past.
That's why I searched for you so that he could regain his glory...
He was such a gentle father to me...
Do you hate us?
My father has done despicable acts to you...
And I...
Miss Camilla.



The orgel,
Is fixed perfectly.



I thought that life was...
A never ending journey in search for happiness.
When you have it, you don't want to let go.
And if you don't want to let go you must hurt someone...
Africa...
Is a place where that human greed is purely present.
A land that must be unhappy...
Because it holds so much...
But then...
The reason why the sun here is still hot...
Is because...



This place...
Must also have 'people'.
Because darkness is heavy
The light is bright as well
In this dark continent,
I am looking at a bright light like no other
Hatred and resentment...
Is like sand in front of eternal time
